## About Us

Kidken is a Bangalore-India based manufacturer and supplier of high quality & affordable Montessori equipment, Montessori classroom materials, Play school Materials, Wooden teaching aids. We are Certified to ISO 9001:2015 & ISO 14001:2015 International Certifications thus making a natural choice for all educational products. We have been supplying wooden educational materials such as Montessori materials, Montessori equipments, Montessori activity Materials, Sensorial learning material, Montessori Apparatus, Mathematics material, Language material, Geography materials, Zoology materials, Botany materials, Curriculum support materials, Play school material, Montessori classroom material, Montessori Furniture, Play school furniture, Wooden toys, Play school toys, Nursery school materials, Kindergarten Materials, to Montessori house of children and other educational institutions in India, Asia, Europe & Australia for past 18 years. We boast about being the largest supplier of Wooden Montessori materials in India and are also linked with several prestigious chains of schools.

Our learning aids are manufactured in compliance to international teaching standards. Our educational products are used in kindergartens, play homes, organizations for the mentally/physically challenged children, and by parents alike. These products are designed and manufactured according to Maria Montessori laid specifications and suggestions given by educational experts to offer an excellent base for educating the child. They are used for learning a variety of concepts pertaining to language development, alphabet, counting, and colour identification, eye-hand co-ordination and for a variety of other functions.

### INFRASTRUCTURE

Our state of art manufacturing process involves cutting on CNC, woodworking machines and premium quality spray painting. We also have spacious warehouses that are well stocked enabling us to deliver bulk orders quickly and proficiently.

### CUSTOMER SATISFACTION

At Kidken EDU Solution, we always welcome feedback from our clients, which enable us to perform better. Because of our excellent customer service and honesty towards manufacturing quality products, we have secured a long list of clients.

“ Montessori Materials are didactic materials specially designed instructional materials many invented by Maria Montessori – that are a hall mark of all Montessori Classrooms. These designs are the basis for our manufacturing and we work always towards the perfection so that child and schools focus on Montessori Education. We have been using the best practises of traditional methods of processes and latest technology to provide utmost quality. We had been supplying these unique Montessori Materials in India and across the world from last 18 years. ”

## MULTIPLE INTELLIGENCE :

We all have some skills that come more naturally than others. For some of us speaking & writing comes with ease. While some of us are great at socializing and getting along with different kinds of people and for some of us we have a flair at numbers and resolving problems. Each of us has our own unique strengths and abilities. It's the same with children too. Every child has his own strengths. These strengths can be used to harness the potential of a child

- Logical/ Mathematical Intelligence
- Musical Rhythmic Intelligence
- Bodily/Kinesthetic Intelligence
- Visual/Spatial Intelligence
- Naturalist Intelligence
- Intrapersonal Intelligence
- Interpersonal Intelligence
- Existential Intelligence

## MULTIPLE INTELLIGENCE :

We all have some skills that come more naturally than others. For some of us speaking & writing comes with ease. While some of us are great at socializing and getting along with different kinds of people and for some of us we have a flair at numbers and resolving problems. Each of us has our own unique strengths and abilities. It's the same with children too. Every child has his own strengths. These strengths can be used to harness the potential of a child

## THEME BASED APPROACH :

Thematic approach is a way of teaching and learning, whereby many areas of the curriculum are connected together and integrated within a theme. Using themes while working with young children has been popular since John Dewey, an American Philosopher, Psychologist and educational reformer first proposed that curriculum, should be related to real-life experiences.

## CURRICULUM HIGHLIGHTS :

- Royalty free model Reduces teacher workload
- High returns on investments with fast breakeven
- Faster setup of school with less hassles
- Teacher planners and training
- Teachers can see videos to introduce / teach a topic.
- Integrated assessments to monitor progress of each child.
- Software help to manage lessons, day to day activities & child progress
- Continuous support on curriculum

## PRESCHOOL SETUP OFFERINGS :

- Integrated curriculum covering Montessori Method & Multiple Intelligence.
- Montessori Materials.
- Curriculum Books
- Furniture
- Play equipments
- Teaching Training
- Branding & Marketing Support
- Online Learning Management software

# Learning MANAGEMENT System

**KIDKEN EDU SOLUTIONS** is happy to introduce **MONTSSORI PATHFINDER**, a classroom Learning Management System Software which allows Preschool Owners to easily implement Montessori Method of Education in their preschools, LKG & UKG classes. The **MONTSSORI PATHFINDER** provides easy access to Montessori videos, step by step presentations of each material, assessments, Parent Notifications and much more

			
Montessori Curriculum	Material Presentation Videos	Assessment	Fees Management
			
Digital Contactless Attendance	Generate Reports	Parent Notifications	Upload & Share Photos & Videos

## ADVANTAGES OF OUR LEARNING MANAGEMENT SYSTEM

Implement Curriculum easily & Effectively According to the National Education Policy (NEP) & International Standards of Montessori Methodology.

Build Good Relations & Connection with Parents.

Monitor, Assess & Record the child's Progress in Different Activities in Seconds.

Leads Management.

Manage Your Financial Data.

Take Control of Your Administration Works.
